

## PAISLEY SOUTH PROPERTY SERVICES

### INFORMATION ABOUT OUR LANDSCAPE MAINTENANCE SERVICE

The contractor is McDermott Contract Services Ltd and this company will provide the service until August 2020.

The maintenance service runs all year round, but there is obviously less work carried out over the winter than in the growing season from the end of March to October. The service provided varies depending on the properties of the garden or area and is intended to be a basic service, primarily to cut grass, keep hedges and shrubs tidy, and to keep litter down.
