Parental Employment Support Fund

Are you a parent?
Would you like to increase your family income?

If you are employed or unemployed,
we can support you to access employment
or improve your existing employment

Do you come under one of the categories below?

- A lone parent.
- A disabled parent or the parent of a child with a disability.
- A parent with 3 or more children.
- A parent from an ethnic minority background
- A parent whose youngest child is under 1 year old.
- A parent under 25 years old.

How we can help you.

- Offer paid traineeship opportunities (where appropriate)
- Help you to develop new skills to increase your employment opportunities.
- Support with job searching and interview skills.
- Support you in identifying employment goals.
- Potentially increase your income through employment.
